

PHYS 6751: Graduate Nuclear & Particle Lab

Presentation Grading Rubric

Presenter: _____ Topic : _____ Score: ____/100

Over time? _____ (>1min: -5pts, >2min: -15pts, >3min: -30pts, >4min: -50pts)

	Great 100	Good 80	Acceptable 60	Poor 40	Unacceptable 0
--	--------------	------------	------------------	------------	-------------------

Structure (20%)

- | | | | | | |
|--|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| <ul style="list-style-type: none"> • Introduction, methods, results, discussion, and conclusions present (Sections not necessarily announced as such) • Citations present on the relevant slide(s) | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| <ul style="list-style-type: none"> • Citations present on the relevant slide(s) | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

Comments: _____

Style (20%)

- | | | | | | |
|--|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| <ul style="list-style-type: none"> • Presentation aimed at the appropriate audience (Nuclear physicists) • Slides are visually appealing (e.g. Not just lists of bullet points) • Presentation is engaging (i.e. Not monotone and/or stiff) | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
|--|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|

Comments: _____

Content (60%)

- | | | | | | |
|---|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| <ul style="list-style-type: none"> • Accurate and clear motivation provided • Presentation-quality plots present • Accurate and thorough* description of experiment provided • Accurate and thorough* description of methods provided • Accurate and thorough* description of results provided • Referenced work properly cited | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
|---|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|

*"Thorough" means that you gave a proper description the parts of the experiment you chose to discuss. Of course, ten minute presentation doesn't leave room to discuss every detail, or even most of them.
