**Planning for Semester Academic Advising Meeting:**  
**(complete and bring to your advising meeting)**

I can register for next semester classes beginning on (date) \_\_\_\_\_ at (time) \_\_\_\_\_  
(Information located in the [OHIO Student Center](#))

I have holds on my account that will prevent me from registering for classes: Yes or No  
(Information located in the *OHIO Student Center*)

Scholarships I hold and their requirements (minimum CR? Minimum GPA? Classes that are required?)

I want to talk about a Mental, Medical, Financial or Academic problem that is affecting my learning.

Am I happy with my major or am I thinking of switching major? If thinking about a major change, do I have plans?

What are my plans post graduations ? What I have done this semester to build up my CV or explore my career options?

Name:

Date:

Classes I am taking this semester and how I have performed so far (some professors keep their Blackboard grade book current, you might check there)

Courses that I am interested in taking next semester: Courses can be found in the [course catalog](#) and in the [course offerings](#) and on your DARS. Sample curriculums in Physics and Astronomy are available here: [Phys](#), [Applied](#), [Astro](#), and [Meteo](#).

<u>COURSE</u>	<u>CR. HRS</u>	<u>PRE-REQUISITE</u>	<u>WHY? (TIER I, TIER II, Exploration)</u>
---------------	----------------	----------------------	--

Questions I have about courses I listed above or general questions about next semester enrollment:

What are my plans to build my CV or explore my post-graduation prospects. If Spring advising: what are my summer plans?

When do I plan to graduate?

Other questions to discuss during my advising session:
